EDUCATION

- **Indian Institute of Technology**

B-Tech Under Graduate student

Dharwad, Karnataka

December 2021 – April 2025

EXPERIENCE

- **Intern at Pathbeat**

React Native Developer

Bengaluru, Karnataka

June 2024 - Oct 2024

- **Product Development and Engineering:** Engineered the app from the ground up using Redux, React Query and React Hooks. Improved performance with lazy loading, memoization, and code splitting. Worked closely with designers and backend developers to ship the product.
- **API Development and Testing:** Integrated and consumed REST APIs, including Google Auth. Designed and tested corner and edge cases to ensure smooth operation in all scenarios.
- **Advanced Feature Integration:** Integrated third-party libraries and native modules. Developed custom animations, transitions, deep linking, Razorpay for payments, and caching to enhance user experience.

- **Intern at Trainity**

Full Stack Web Developer

Bengaluru, Karnataka

Feb 2024 - April 2024

- **Backend Development:** Developed and maintained REST APIs using Express.js and MongoDB. Implemented authentication and authorization with JWT and OAuth. Optimized database queries and back-end performance, ensuring the scalability and maintainability of codebase.
- **Frontend Development:** Converted Figma designs into responsive React components using Material-UI and integrated back-end APIs for seamless interaction.

PROJECTS

- **Yumtruk App and Admin Panel**

Freelancing Project

- **Full Product Development:** Developed the Yumtruk mobile app using React Native (expo), along with an admin panel powered by Express.js, Node.js, and MongoDB.
- **Technology Integration:** Integrated Socket.io for real-time notifications, Stripe/PayPal APIs for payments, and Expo Push Notifications for user engagement.

- **Skill Shodh**

CTO @ skillshodh.in

- **Skill-Based Internship Platform:** Built a platform that connects students to internships tailored to their skill sets, featuring real-time matching, personalized recommendations, and an easy application process.
- **Professional Networking and Career Growth:** Enabled seamless communication with companies, fostering professional networking and providing students with valuable, real-world experience to boost career growth.

ACHIEVEMENTS & LEADERSHIP

- **Inter IIT Tech Meet 2022:** Bronze Medalist at IIT Kanpur. Designed and developed a high-speed distribution network for e-commerce brands, enabling same-day delivery solutions and significantly improving scalability and operational efficiency.
- **Tech Fest Lead (Parsec) 2022** : Led a 6-member team to build a responsive MERN stack website for the IIT Dharwad tech fest, oversaw the project from concept to completion.

PROGRAMMING SKILLS

- **Languages:** Java, Python, JavaScript, TypeScript, C++, C
- **Technologies:** Spring Framework, Spring Boot, React, React Native, Node.js, Express.js, MongoDB, Django, Redux, REST API Docker, AWS, Git & GitHub, FastAPI, Prisma, Socket.io, and more
- **DSA & OOP:** Proficient in designing & implementing efficient algorithms and data structures, with a solid understanding of Object-Oriented Programming concepts such as inheritance, encapsulation, & polymorphism.
